# Good Bye

While I spend my last few weeks here at Cambridge High School, I've started to reminisce about so many things. First, I'd like to thank all the teachers and staff for making this school a functionable place and helping myself and others prepare for what the future has in store for us. I would also like to thank my classmates for the many lessons I've learned and all the memories we've created together. Next, I would like to thank my coaches, advisers, and booster club members who have allowed me and so many other students to participate in extra curricular activities. Without them the teams would be unorganized and "undressed" with no supervision or uniforms. Last but not least, I would like to thank Mrs. Anderson for all of her hard work and dedication to making sure the books look nice. She has made yearbook fun but productive. I couldn't ask for a better adviser. To Jim Straub, thanks for helping Mrs. Anderson and I throughout the past few years. I will truly miss working with you and our summer trainings!

To our underclassmen, work hard and enjoy your time. It's over before you know it and you're going to miss it like crazy. Take a few risks, step outside the box. Make many memories and don't hold grudges. Your classmates are the people you'll remember for the rest of your life. Stay positive and always keep your eye on the prize.

Your editor, Paige Wexell
