The 2018 Cambridge Jr/Sr High Yearbook has 84 color pages with Timeless as our theme and title. The yearbook sold for \$45 through September 1st and then adjusted to \$50 through April 8th. There were 88 books ordered this year published by Walsworth in Brookfield, Missouri. Our yearbook sales representative is Jim Straub and our customer service representative is Alicen Wright.

The yearbook cover is designed by Lexi Boberg and brought to life by artist Michelle North. Name stamping is printed on five yearbooks in Bright Silver. The cover is created as a silk screen on glossy clear on front and spine. Scf Fre Mat Lam is used on the full cover. Decorate skins and 4 color is used on the full cover.

The paper stock used is 100# FSC Certified C1S on 120 PT Graphic. The headlines are a combination of fonts including Freetime and Maximo. The captions use the Times font in 10 point. With the exception of Homecoming, Prom, and FFA pages, four colors are used: black, white, gray 0040, red 0201. Features such as the clock and circles are used to promote uniformity and theme.

This is the first time a Jr/Sr yearbook covering grades 7th-12th has been created for Cambridge.
