XTRA EFFORT = XTRAORDINARY

The 1986 Viking football squad wasted no time proving that they were a team to contend with. The first game of the year was a complete domination over Orion (18-0) and there was no stopping them from there. After a close victory over Princeville, the Vikings swept the first five conference games, but their winning streak ended at seven games when the Vikes met ROVA, who was also undefeated. After a heartbreaking loss, they finished the conference season in second place by beating Winola. They qualified for the 1A state playoffs for the second consecutive year. Powerful Annawan ended the Vikes' hopes of moving on by defeating them 20-0, on the home field. The Vikings season ended with an 8-2 record, which can be described as nothing less than outstanding.

The over-all strength of the squad was recognized by their conference opponents when six players were elected to the all-conference first team offense and three players were elected to the all-conference first team defense. Offensive honors went to Brent Reed, Brian Matson, Chris McClain, Jeff Noble, Neil Jordan, and Jim Flaherty. Defense honors went to Chris McClain, Jeff Noble, and Jim Flaherty. Special Mention was given to Craig Anderson and Tom Hasson for the offensive team, and Brian Matson, Chip Bayless, Kurt Melton, and Craig Anderson for the defensive team.

XPERIENCE LACKING ON JV TEAM

Although the fresh-soph volleyball team did not have a winning record, they improved as the season proceeded. Early in the season, the team had problems working as a unit due to the fact that there were only five experienced players. With hard work, eventually, everyone improved on her skills and working as a team. While losing, it was hard to keep spirits up, but no one gave in and all are hoping for a better season next year.

Team captains were second year players Holly Drescher, Melissa Lee, and Sheryl Nussear. High point server, most valuable player, and most improved player were Melissa Lee, Holly Drescher, and Crystal Robinson respectively.

In the second match, the team fell a little behind and lost 7-15. The last of the three matches was thrilling. Great sets and spikes by a unified team pulled out the win 15-12.

Katy Hulin, who was voted by her teammates most valuable player, received a trophy at the athletic banquet for being the high point server. She was also elected to the first team all-conference. XPERIENCING THE HIGHLIGHTS

Even though the season wasn't successful for the teams themselves, there were individuals who showed their level of skill. Both the boys and the girls teams were mostly made up of lower class students. Because of this, the following years may be looking up. Ryan Hanson, being an outstanding freshman, took low net 3 times. Doug Borg, standing up for the sophomores, took low net 5 times also. Mishelle Reed overtook boys and girls alike, to stand alone not only as the outstanding golfer from C.H.S., with many low net scores herself, but also as the girls state champion.

Varsity won the right to attend the national cheerleading competition over Christmas vacation in Nashville, Tennessee, for being the number one squad at ICF cheer camp. They placed in the top twenty of small varsity squads. The JV squad, also for the second year, won first place at UCA cheer camp for best cheer. They then competed at Bradley University in Peoria, December 13. Unfortunately, they did not place. The wrestling cheerleaders also had an exciting year. They had the opportunity to cheer on Jim Flaherty at sectionals.

XPECTATIONS SURPASSED

The Lady Vikings held their ground this year. They came out with experienced talent in many positions. Center Katy Hulin surpassed the career point record for Cambridge High, and was also most valuable player at the Atkinson Tourney. Forward Mishelle Reed was a leading rebounder and also developed a good shot from the corner. The whole starting line-up worked very well together, and was well supported by a strong bench.

Before the season started, the team set a goal of beating Atkinson. In the second game of the season, Cambridge blew right over the Atkinson Tigers. Their next challenge was the ROWVA Tigers. The first confrontation between these two powerful teams wasn't a successful one for the Vikes. The next time they met was a duel to the end, but the Vikings came out carrying a share of the conference crown. The Lady Vikings had a very rewarding season this year.

XACTING DRILLS IMPROVE SKILLS

This year's JV team had great sophomore leaders. These girls went out on the court with a strong desire to win, but they also were willing to help the first year players develop this positive attitude. They wouldn't slow down or give up at any time.

Because of this, when the Lady Vikes had some injuries, the bench could come on the floor and get the job done. They may not have had the experience of the starters, but their hustle and ambition made up for it.

Overall the team did exceptionally well in all their games. Coaches Miss Tornquist and Mr. Goff worked with the freshman and sophomores using drills that improved individual skills.

XHAUSTING PRACTICES BUILD ENDURANCE

Although the 1986-87 Fresh-Soph basketball squad didn't show an outstanding seasonal record, they displayed sportsmanship and future promise. Their tough practices did pay off. Coach Taylor shared his spectacular basketball ability with his new team and built their confidence so they always had the winning attitude, which makes a good team in more ways than one.

XCEPTIONALLY AWESOME- VIKES MAKE SWEET SIXTEEN

As November approached, the people of Cambridge knew that an exciting season, provided by the boys' varsity basketball team, was in store for them. They were not mistaken; the Vikings started the season by winning the Annawan Thanksgiving Tournament, as well as all of their non-conference games. They placed second in the Orion Tournmanet, after Sherrard squeezed by the Vikes with a 65-63 win. They then proceeded to take the conference crown without a loss, something that has never been accomplished by any varisty boy's team before. As playoff time approached, the gentlemen, with their 23-1 record, were looking to go far. The Vikes won the Orion Regional, after thrilling victories over Rockridge (62-51) and Orion (56-49). They continued on their path of wins, edging by Roseville (53-52) and Knoxville (63-60) to earn the Sectional crown as well as a seat in the Sweet-Sixteen, which is also a first in varsity boys' history. The Vikes fantastic season ended with a loss to undefeated Pearl City in the East Moline Super-Sectional. In that game, the Vikes came from a thirteen point defecit to a near win and lost by only three points (56-53).

The Vikes have much more to boast about than just an extraordinary season; seniors Craig Anderson, Chris McClain, and Brian Matson were recognized as being all-state honorable mention as well as making the all-conference first team.

Much of the success of the team can be attributed to the unity and intelligence of the team and their fourth-year super-coach, J. C. Wise.

TOP LEFT: Craig Anderson lays in two points for the Vikes, unwilling to let the six nine Pearl City Wolf stop his attempt. XPERIENCED LEADERSHIP PRODUCES

On March 3rd, the track teams started their pre-season conditioning with 33 girls and 55 boys. As the season progressed, the numbers dwindled, but the work of the remaining individuals made the season successful. The boys compiled a dual meet record of 5-1 and the girls 4-2. Both teams placed well in the larger meets and set new records in the girls shot put, boys high jump and pole vault. Cambridge hosted the conference meets in May and while the girls were disappointed with their third place finish, the boys were thrilled with their second consecutive championship. At the district and sectional meets, the girls brought home five medals and the boys two. The state meets were held in Charleston and of the five qualifiers, only Dana Wigant was successful in bringing home a medal (4th).

Dean Russer played the latest songs for the dance. Also to add to his show, he had a fog machine and many colored lights. XCEPTIONAL PRODUCTION BY MUSIC DEPT.

When school began in September, everyone wanted to know "What musical will we do this year?" After observing students and listening to many voices, Mrs. Bayless was happy to announce we had the acting and vocal ability to perform "West Side Story". Tryouts were held in January and casting was announced in February. The performance was April 23-24 in the school gym with over 100 students involved in its production. Many parents and people in our community helped with costumes, make-up, lighting, construction and concessions. With all these people cooperating by combining their talents, the music department was again able to present an exceptional production.

Fourteen girls attended the American Drill Team Association Pom Camp at Bradley University which began a very exciting year for Poms. The girls were awarded a first place for the original choreography in the routine they performed. They also won awards for Outstanding Entrance and Exit, Sparkle and Shine, and Positive Mental Attitude. We were able to purchase smaller pom pons this year to help keep arm movements crisp and precise which gave poms a new look. This, combined with that new attitude, have helped to make the routines we've performed unique and entertaining.

School Day Memories

As we reach out our hand
The diploma we grasp,
While we think of the number
Of years in the past.

Tears fill our eyes
Because it's all gone,
We're starting a new life
We have to move on . . .

We hope friends keep in touch,
As the years pass us by,
Although it hurts inside,
We'll try not to cry.

We think of kindergarten
And of our first day,
Now we've reached the end,
We are going away ...

How do you say good-bye
To friends who mean so much,
Will there be time
To seriously keep in touch?

You'll always have the memories
Of school years from day one,
Don't think of school as ending -
Think a new life has begun.

Dear Students, Teachers, Staff,
 and Other Friends,

We hope you've enjoyed the
 pieces of 1986 - 87 that we've
 collected here in these pages.
 1986-87 was truly a "time explo-
 sion" which we've tried to pre-
 serve forever with this yearbook.
 We cannot stop the passage of
 time, but we can capture parts of
 it, for everyone to enjoy.

Thank you to Mrs. Barbara
 Decker, our advisor; the rest of
 the Viking staff; J.W. Franks, our
 photographer; our Josten's re-
 presentative; and Mr. Schehl and
 Mr. Caras. This would not have
 been possible without all of your
 help.

Have a wonderful next year,
 and may all your times be as
 great as the times of 1986-87.
 We will miss you very much!

Love,

Kim D.
Kelly W.
